Sir,

Subject Construction of two sets of sweener's
quarters in Budubudukkere

Reference Letter No 14022/11-12-1955 from
the Superintending Engineer, Cauvery Circle,
enclosing the estimate for Rs 17,000/- sanctioned
by the Council in CR No 500/27-7-1955 duly
scrutinised for Rs 16,400/-

The question of providing housing facilities
has been under active consideration of the Council for the
past several years. Last year the construction of 16
houses near Jodithenginamara burial ground was taken up and
completed. 16 houses built by the Trust Board were purchased.
36 quarters in H H M O I Unit were also taken possession
of from Government P W D as per orders of the Chief
Minister. Two quarters were built near Slaughter House at
Kecare. Construction of two more houses is almost under
completion in Town Hall. In Nazarbad two houses were also
provided. Thus there would be 241 houses provided so far
including 167 provided a few years back. As this is not found
sufficient to meet the requirements a proposal was placed
before the Works Committee and the Council to put up at a
cost of Rs 17,000/- 2 units of 4 houses each along the
Rampart Wall Road near Budubudukkere. This was duly
sanctioned by the Council in their resolution No 500/27-7-1955.

The estimate has been got duly scrutinised by the

2

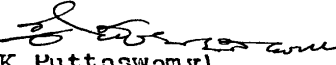

Superintending Engineer, Cauvery Circle, for Rs 16,400/-.

I enclose herewith a copy of the resolution
and the scrutinized estimate and request that orders of
Government may kindly be obtained sanctioning the
estimate. The cost will be met out of the provision
under DL-Buildings.

Yours faithfully,

(A Viswanath)
Municipal Commissioner
